20-43328-1	Md Fahad Khan	

Project Title:

University Portal Management System

Short Description:

<p>Four types of users:</p> <ol style="list-style-type: none">1.Admin2.Facutly3.Students4.Accounts <p>Features for all user:</p> <p>Common feature for all users:</p> <ol style="list-style-type: none">1. All user can login.2. All user can register.3. All user can edit profile.4. All user can check personal information. <p>Admin:</p> <ol style="list-style-type: none">1. Admin can login2. Admin can logout3. Admin can change password

4. Admin can change time schedule
5. Admin can add faculty
6. Admin can remove faculty
7. Admin can add new students
8. Admin can remove students
9. Admin can check all information
10. Admin can add course
11. Admin can remove course

Faculty:

1. Faculty can login
2. Faculty can logout
3. Faculty can change password
4. Faculty can add student in the section
5. Faculty can remove student in the section
6. Faculty can add courses
7. Faculty can remove course
8. Faculty can upload grade
9. Faculty can check all information
10. Faculty can upload note

Student:

1. Student can login
2. Student can logout
3. Student can change password
4. Student can check result
5. Student can add course
6. Student can drop any course
7. Student can see class schedule
8. Student can payment
9. Student can give faculty review
10. Student can add personal information

Accounts:

1. Accounts can login
2. Accounts can logout
3. Accounts can change password
4. Accounts can check faculty financial information
5. Accounts can check student financial information
6. accounts can give faculty's salary
7. Accounts can give weaver and Scholarship
8. Accounts can fine student for late payment
